

Ballast Stone Emetior

Icon

ICON WINE, VINEYARD SELECT, REGIONAL EXPRESSION – DEFINITIVE

Emetior derived from the Latin meaning “to pass over, traverse”.

BALLAST STONE

The Shaw Family’s ongoing quest for quality fruit for their wines led them from the red earths of McLaren Vale to a region of complementary flavor and taste synergies, traversing the Mount Lofty Ranges to Currency Creek. Emetior recognizes this journey.

Our oldest vineyards supply the fruit to this, our flagship red. Only produced in limited quantities and when conditions are perfect. An elegant McLaren Vale Shiraz, exhibiting definitive varietal character.

The wine

Shiraz
Matured in American and French oak hogsheads for 30 months, this Shiraz begins with smoky vanillin oak and goes through the spectrum of chocolate, coconut, violets, peppers and prunes, all of which flow through to the fresh, full round flavorsome palate that is balanced with fine chalky tannins. Cellar potential 7+ years.

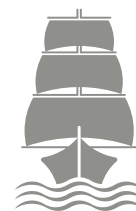

Ballast Stone Founder

Richard M Shaw

“OUR SUCCESS IS DETERMINED BY THE QUALITY OF OUR LAND AND VITICULTURE, WINE AND PEOPLE, AND THE CONFIDENCE THIS GIVES OUR CUSTOMERS”

BALLAST STONE

The Shaw family

The Shaw family have over 30 years experience in the Australian Wine Industry. Their dream was to create a vibrant family business resulting in the expansion of their vineyard holdings and winery development to provide opportunities for future generations. Love of the land and family ties bind them together.

Our Mission

The mission of Ballast Stone is to grow a profitable, sustainable vineyard to feed our brands at a controlled pace, providing opportunities for employees to work in an enjoyable and satisfying environment. We are committed to building bold brands to the mutual benefit of our appointed distributors and customers.

Our Objectives

To exceed expectations in quality, value and service in all aspects of our business.
To utilise the advantages of the region to produce a balanced mix of super premium quality wine grapes.
To substantially grow label recognition and loyalty through the production and distribution of award winning wines.
To develop and implement environmentally sound and sustainable practices so that our viticultural activities have a beneficial effect for the whole community.
